PLAYING INSTRUCTIONS

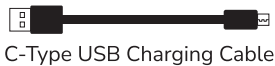

The Mirana Air Football Smart works best on smooth surface. Turn on the power button of your Mirana Air Football Smart given at its bottom when the device is fully charged. Don't play by the roads or in any other dangerous places to avoid accidents. Don't play in a place with rough surface, puddle, mud or sand. Press the power button for 3 seconds to switch off the Air Football.

BUILT-IN BATTERY & CHARGING

The Mirana Air Football Smart comes with a rechargeable 2000 mAH Li-Ion battery. Don't attempt to modify, remove or replace the battery as it may damage your Air Football Smart and cause overheating and injury. Don't cut, tear, puncture, compress or deform the device by disassembling it.

Follow the below instructions for charging its battery:

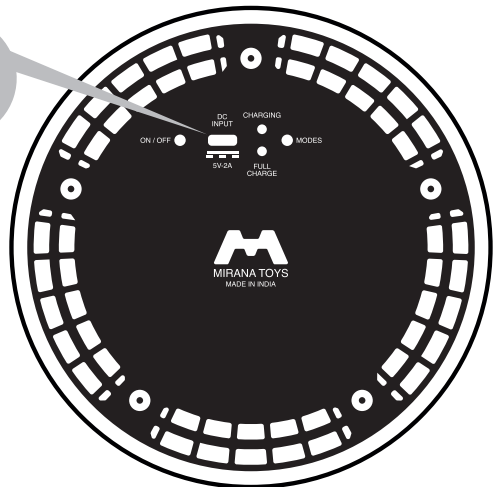

1. Turn the Mirana Air Football Smart upside down to check the charging port
2. Plug the C-Type USB charging cable provided in the box into the (5V-2A) DC input charging slot at the bottom of the device
 - Red LED will glow up while charging
 - Green LED will glow up when your Air Football Smart is fully charged (It takes about 120 minutes to charge fully)
3. Remove the charging cable when the Green LED glows up

C-Type USB Charging Cable

The built-in battery cannot be replaced and must be recycled or disposed off separately from household waste if needed.

SPEED MODES

The 'Modes' button at the bottom of your Air Football Smart lets you play with different speed modes. You can select from different modes by pressing the 'Modes' button.

Mode 1: Fast speed hover

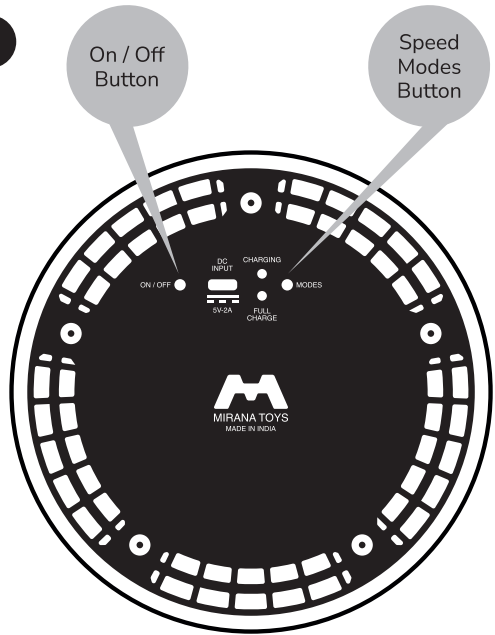

In this mode, your Air Football Smart will hover in fast speed.

Mode 2: Medium speed hover

In this mode, your Air Football Smart will hover in medium speed.

Mode 3: Lights

In this mode, your Air Football Smart won't hover but the lights will keep blinking.

AUTO ON / AUTO OFF & SLEEP MODE

Now experience your new Air Football Smart with Auto On / Auto Off and Sleep Mode features.

Your Air Football Smart enters 'Sleep Mode' if it is left idle for 2 minutes after playing. If kicked within 3 minutes of entering sleep mode, the Air Football Smart switches itself in 'Auto On' mode. The Air Football Smart will switch itself off completely if it is left idle for 3 minutes. This will save the battery.

Enters 'Sleep Mode' if left idle for 2 minutes

'Auto On' if kicked within 3 minutes

'Auto Switch Off' after 3 minutes if left idle

PRECAUTIONS

Don't give this toy to children aged 4 or below. Like other electric devices, this device is also to be used in a safe way to avoid electric shock. Please don't try to modify this device, which may negate your authority to use it.

CARE AND MAINTENANCE

Keep your Air Football Smart away from direct sunlight, high humidity, high temperature or excess heat. Gently wipe the base of your toy with a damp cloth whenever it becomes dirty. Do not immerse the Air Football Smart in water to clean it. This can damage its electronic components. Before using the Air Football Smart, please ensure that it is not damaged and safe to use. The operating temperature is between -10°C and 50°C.

DISPOSAL INFORMATION

Never dispose of the toy along with the household waste. If / When you decide to dispose of this toy, discard it in e-waste container that are in accordance with the local environmental laws, guidelines and battery recycling procedures.
