The Mirana App-Controlled Tracer

Download now  

WELCOME

Please read this document and the safety instructions carefully
before using the all-new App-Controlled Tracer.

Fully charge the battery before using it for the first time.

For detailed support information, visit our website

www.miranatoy.com

1. DOWNLOADING THE MIRANA APP & INSTALLATION

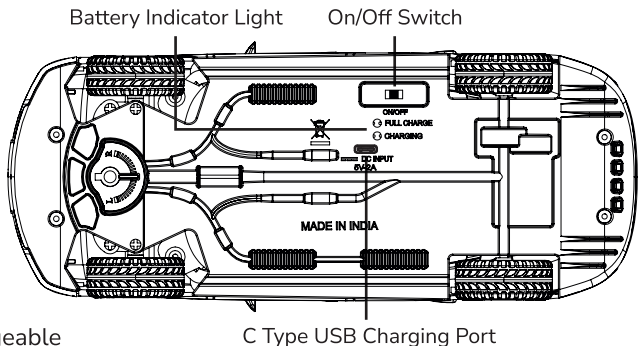

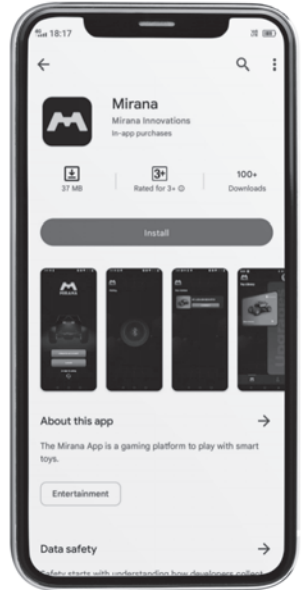

1. Go to App Store or Play Store
2. Search "MIRANA" App
3. Download & Install it - Free!
4. You are ready to explore

2. BUILT-IN BATTERY

The Mirana App-Controlled Tracer comes with a rechargeable 1200 mAh battery. Don't attempt to modify, remove or replace the battery as it may damage it and cause overheating and injury. Don't cut, tear, puncture, compress or deform the Mirana App-Controlled Tracer by disassembling it.

Follow the below instructions for charging its battery:

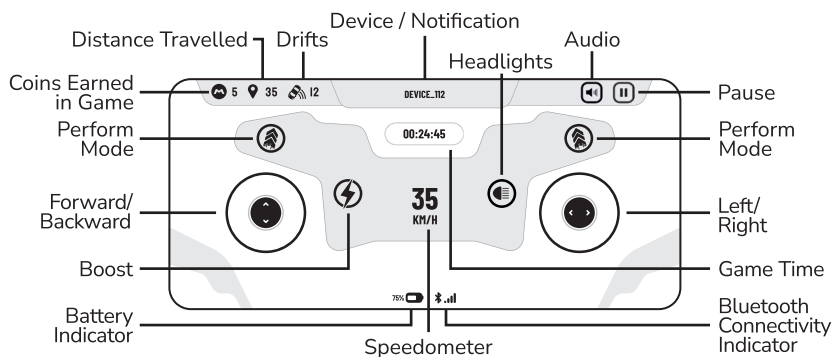

1. Turn the Tracer upside down to check the charging port
2. Plug the USB charging cable provided in the box into the (5V-2A) DC input charging slot at the bottom of the Tracer
 - Red LED will glow up while charging
 - Green LED will glow up when the Tracer vehicle is fully charged
3. Remove the adapter when the Green LED glows up

 1200 mAh Rechargeable
Li-Ion Battery (Included)

3. PLAYING INSTRUCTIONS

1. Turn on the power switch of the Mirana App-Controlled Tracer given at its bottom
2. Switch on the Bluetooth of your mobile phone and open the Mirana App installed on your phone
3. Long press the Bluetooth button given at the bottom of your Mirana App-Controlled Tracer till it turns on
4. Your Mirana App-Controlled Tracer and the Mirana App are connected now
5. Use the App enabled console to drive the toy car
6. For directional control, use the left round button on the console screen for moving the vehicle forward and backwards. Use the right round button for turning left or right
7. For an extra burst of speed, you can use the (energy symbol) button on the left side situated above the round button to activate the Boost function
8. Use the headlights button for switching on the headlights of the toy car
9. Use the (rocket) button on both the sides to perform stunts
10. To exit the game press on the exit button in top left corner

ATTRACTIVE STICKERS

Spruce up your toy with the stunning stickers provided in the box. Paste them yourself and see your App Controlled Tracer transform into an attractive looking toy car.

All stickers are true to size and are kiss cut / die-cut with high precision. Colorful and pretty designs, these stickers are easy to apply.

CARE AND MAINTENANCE

Keep it away from direct sunlight, high humidity, high temperature or excess heat. Ensure that the tires are clean for optimized grip. Gently wipe the tires with a damp cloth whenever they become dirty. Do not immerse the Tracer or any part of it in water to clean it. This can damage its electronic components. Before using the toy car, please ensure that it is not damaged and safe to use.

DISPOSAL INFORMATION

Never dispose of the App Controlled Tracer along with the household waste. If / When you decide to dispose of this toy car, discard it in e-waste container that are in accordance with the local environmental laws, guidelines and battery recycling procedures.
